

# SCHOLARSHIP APPLICATION

## NEW MEXICO AUGUST FOLK DANCE CAMP 2024

Thank you for your interest in a scholarship!

A limited number of work scholarship positions is available each year. It covers a portion of the cost of camp tuition in exchange for performing various duties during the course of camp. These duties can and typically include:

- snack preparation
- music cueing for teaching sessions and parties
- dance floor sweeping
- assisting with setting up for extra sessions, such as yoga

Duties are rotated to allow each scholarship recipient to attend most dance sessions and enjoy the evening parties with minimal interruption.

**PLEASE NOTE: We do require that scholarshippees attend the full camp, Thursday morning through Sunday afternoon. Moreover, you must arrive in time for Thursday morning training (likely 10 AM), and stay on Sunday to assist with packing up (usually until 2 PM).** If you know already that you cannot make this commitment, please do not apply. Rather than using this pdf form, you can also apply for a [scholarship online](#). Please contact us at [nmaugustcamp@gmail.com](mailto:nmaugustcamp@gmail.com) with any questions.

**Note: You must still fill out a general registration form to attend camp. This application is NOT your camp registration.** Link to submit your camp [registration](#).
